Charity Rose

'Forget Me Not' Rose PRICE £7.80 + P & P

In 2006, following a kind donation from Warrens Bakery, we selected a rose to name 'Forget Me Not'. For every rose purchased we receive a £1.50 donation

The roses are on display at Glynn Valley Crematorium and the Lost Gardens of Heligan. Photo below taken during my visit to Heligan Gardens in July 2009.

'Forget Me Not' is an outstanding fragrant Hybrid tea rose. Flowers come both singly and in clusters on a strong upright plant, well furnished with dark green very glossy foliage, which has shown good disease resistance. Approx. height 60-75cm (2-2½ft).

To order contact: James Cocker & Sons Telephone: 01224 313261 Email: sales@roses.uk.com

Befriending

It was with regret that I was forced to withdraw the befriending service temporarily due to circumstances out of my control. If you need to meet with someone for one to one support, please contact your local CRUSE Bereavement Care office, or you can visit our links page on the web site for details of national baby loss charities who operate telephone helplines.

The Robbie Williams and Take That Tribute Night on 6 June was once again a huge success. Thank you for the many emails received complimenting the night. A DVD is available of the concert, you can order via our on-line shop or by sending a cheque for £11.50 (to include P & P).

Welcome to Suzanne Barr who joins the charity on a temporary assignment to complete a database project now possible following a successful funding bid with Grass Roots.

More details of items in this newsletter can be found on the web site.

Enjoy the rest of the summer.
